# Auction

The Upper Midwest Regional Blacksmith Conference is a biannual event sponsored by three midwest artist blacksmith associations consisting of over 800 members. The 2009 Conference will for the first time include a public auction. All items offered for sale at the auction are handcrafted by artist blacksmith members. This will be a unique opportunity for proprietors of galleries and speciality decorator shops, gardeners, and all individuals looking to see and buy fine crafted ornamental ironwork. Auction attendees will not be charged Conference fees. Viewing on day of sale beginning 3pm.

## Items for Sale

Pot racks, kitchen cookware, fireplace tool sets, folding room divider, lamp tables, candle holders, sconces, plant hangers, and many other items viewable at the day of the auction.
